WELCOME to the 17th ANNUAL

Art In Action BURLINGTON STUDIO TOUR

Sat & Sun, Nov 2 & 3, 2019, 10 am to 5 pm

This year, **26 local artists** were juried to showcase their work in **9 host studios** located **throughout the City of Burlington**. This annual **self-guided studio tour** always takes place over the first weekend in November and is free for everyone to enjoy.

Related events include the **pre-tour gallery exhibit at the Art Gallery of Burlington (Oct 11 to Nov 3, 2019)** and features one piece of art made by each of the artists you'll see at the 9 studios in the tour. **See more details on this year's pre-tour exhibit and the opening reception on the next page.**

About Art In Action

Art In Action is a not-for-profit organization that assists artists towards becoming self-sustaining entrepreneurs. This is done by providing opportunities to connect and engage with local art lovers and by encouraging a social community for artists within the Burlington area. The objectives of the organization are to organize and promote events within the Burlington community where artists can showcase their skills and art to the public in their own or in host studio locations.

High School Graduate Fine Arts Scholarship

In keeping with our objectives, Art In Action set up a scholarship fund in 2012 for Burlington students graduating from high school and intending to pursue post secondary studies in the arts.

This year we awarded one scholarship of \$1000 to Anna Golding. Anna graduated from Dr. Frank Hayden Secondary School and is pursuing an undergraduate degree, majoring in fine arts at the University of Guelph. We are very proud to be honouring our local emerging artists in this way and hope for great things for Anna in the future.

Look for Anna and her art in Studio 9 on this year's tour.
